

Enriched Access Application Form

The Enriched Access Program is offered to educators and organizers in community or service groups. This includes, but is not limited to:

- Educators from preschool, K-12, public, private, and parochial schools, and licensed childcare centers.
- Homeschool parents and guardians in our service area.
- Educators who live outside of our service area, but teach in our service area
- Staff in group homes or nursing homes

This program entitles the user to advanced privileges including an extended check out period and increased check out quantity. This access can be applied for at any time, but will expire after 12 months.

To apply for Enriched Access, complete the following application. Completed forms can be directed to campr@seqlib.org or dropped off at any library location. Program verification is required:

- Teachers must provide current school-issued photo ID and additional identification with home address.
- Homeschooling parents and guardians must present a current copy of their intent to homeschool and an additional identification showing residency in the SRLS service area.
- Staff in other educational institutions will need to bring their workplace ID and additional identification with home address.

Additional information may be requested to complete your application.
